

162 – Arendt stations in Seventh Army

Statements in the book

162: ‘...it [Arendt] remained a significant source as shown by the existence of 10 stations in the Seventh Army area in May 1917...’

Update and comment

The reason for the list order below is not clear, but presumably goes from right to left across the Seventh Army front.

Supporting evidence

The 10 stations were codenamed:

1. Wieland
2. Gneisenau
3. Sommer
4. Seydlitz
5. Blücher I
6. Blücher II
7. Bredow
8. Scharnhorst
9. Ziethen
10. Schill
